

Elevated Split-Level Living

The Annapurna 204 is a thoughtfully designed split-level home that delivers space, functionality, and modern appeal. With four bedrooms, multiple living zones, and a seamless indoor-outdoor connection, it's perfectly suited to growing families or those wanting extra room to live and entertain.

At its heart is a spacious open-plan living area, complemented by a well-appointed kitchen and direct access to an elevated balcony, ideal for everyday living and hosting alike. The smart layout offers separation and privacy, while maintaining a natural flow throughout the home.

Complete with a double garage, generous storage, and a flexible design that adapts to a range of lifestyles, the Annapurna 204 ticks all the boxes for contemporary living.
