

Clifton 334

Flexible Dual-Living Design

The Clifton is all about giving you options. The double storey design provides two self contained floors. The lower level, ideal for a guest suite, includes a spacious living, meals and kitchen area, large bedroom, walk in robe and ensuite.

Upstairs, family living is catered for, with three bedrooms, a separate study and central bathroom. The open plan living, meals and kitchen area (including walk in pantry), that opens onto a large deck, perfect for watching the sunset.
