

Modern Living with Practical Layout

The Evandale 169 is an efficient design, perfectly suited to longer blocks. A central entrance hall creates a natural flow through the home, leading to an open-plan kitchen and living area on one side and a bedroom and bathroom zone on the other.

Positioned at the rear, the master suite offers privacy and comfort, complete with an ensuite, walk-in robe, and direct access to the alfresco area.

A cleverly integrated laundry within the secure double garage adds everyday practicality.
