

Spacious Family Living

The Manhattan is a stylish five bedroom home with plenty of space for the whole family.

The ability to entertain in the large open plan living area that seamlessly integrates with the alfresco area is just one of the benefits of this spacious home.

With four bedrooms on the upper floor, including a large master suite with balcony, walk-in-robe and ensuite, and a convenient guest bedroom or office downstairs – there are many reasons why the Manhattan is named after one of the most famous cities in the world.
