

Modern Coastal Living

The Oakmont 363 is a contemporary double storey home designed for modern family living, offering four bedrooms, three living zones and generous open-plan entertaining.

The ground floor features three bedrooms, a media room, dedicated study, central bathroom, large laundry with mud room and an oversized double garage.

Upstairs, the spacious kitchen, dining and lounge flow seamlessly to the covered alfresco, complemented by a walk-in pantry, wine room and additional storage. Completing the home is a private master retreat featuring a spacious dressing room, luxurious ensuite and private balcony, creating the perfect balance of style, functionality and comfort.
